The discussion will be moderated by

Marc Edelman
Professor of Anthropology at
Hunter College

We will explore crucial links between our food security and the rights of small-scale farmers, fishers, and other rural people in the United States and learn how their rights and livelihoods are interlinked with ours.

Thursday, May 22, 2025 from 2:00–3:30pm

Roosevelt House Public Policy Institute at Hunter College

47 East 65th Street (Between Park and Madison Ave)
